

BUSINESS ESSENTIALS SMALL BUSINESS PACKAGE

Building a successful business requires skill, hard work and basic organization. All successful entrepreneurs build their businesses on a strong foundation of business tools, which help take their organization to the next level.

Emerging Business Systems specializes in taking small businesses to the next level. We have helped hundreds of businesses prosper and grow by providing them with practical and affordable tools that form a solid foundation from which to grow.

Our *Business Essentials* package is designed specifically for small businesses. Our distinctive blend of products within the package provide the essential building blocks needed for growth and success, at a price even the smallest business can afford. Specifically, our package includes all of the following elements:

◆ CORPORATE BRANDING PACKAGE

- Custom Logo / Business Card / Letterhead / Envelope / Cover Sheet / Branded Shell

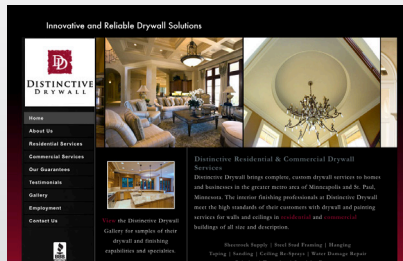

◆ MARKETING MATERIALS PACKAGE

- Brochure / Flyer / Corporate Summary

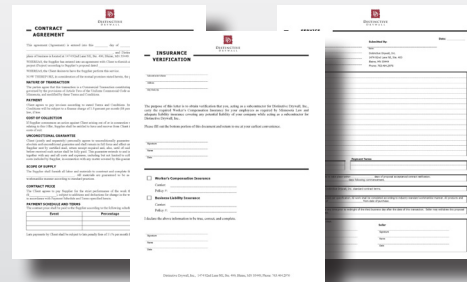

◆ WEBSITE PACKAGE

- Base Website / Content Management System

◆ BRANDED FORMS PACKAGE

- Over 300 forms branded to your business

Business Essentials is available for a low monthly fee for 12 months, after which you own all of the materials. Position your company for success and distance yourself from the competition.
